ARTICLE II. CITIZENS' BILL OF RIGHTS

Sec. 241 9. Citizens' Bill of Rights.

(a) This government has been created to protect the governed, not the governing. In order to provide the public with full and accurate information, to promote efficient administrative management, to make government more accountable, and to insure to all persons fair and equitable treatment, the following rights are guaranteed:

1. *Convenient access.* Every person has the right to transact business with the city with a minimum of personal inconvenience. It shall be the duty of the city manager and the city council to provide, within the city's budget limitations, reasonably convenient times and places for required inspections, and for transacting business with the city.

2. *Truth in government.* No municipal official or employee shall knowingly furnish false information on any public matter, nor knowingly omit significant facts when giving requested information to members of the public.

3. *Public records.* All audits, reports, minutes, documents and other public records of the city and its boards, agencies, departments and authorities shall be open for inspection at reasonable time and places convenient to the public.

4. *Minutes and ordinance register.* The city clerk shall maintain and make available for public inspection an ordinance register separate from the minutes showing the votes of each member on all ordinances and resolutions listed by descriptive title. Written minutes of all meetings and the ordinance register shall be available for public inspection not later than thirty (30) days after the conclusion of the meeting.

5. *Right to be heard.* So far as the orderly conduct of public business permits, any interested person has the right to appear before the city council or any city agency, board or department for the presentation, adjustment or determination of an issue, request or controversy within the jurisdiction of the city. Matters shall be scheduled for the convenience of the public, and the agenda shall be divided into approximate time periods so that the public may know approximately when a matter will be heard. Nothing shall prohibit the city or any agency from imposing reasonable time limits for the presentation of a matter.

6. *Right to notice.* Persons entitled to notice of a city hearing shall be timely informed as to the time, place and nature of the hearing and the legal authority pursuant to which the hearing is to be held. Failure by an individual to receive such notice shall not constitute mandatory grounds for canceling the hearing or rendering invalid any determination made at such hearing. Copies of proposed ordinances or resolutions shall be made

available at a reasonable time prior to the hearing, unless the matter involves an emergency ordinance or resolution.

7. No unreasonable postponements. No matter once having been placed on a formal agenda by the city shall be postponed to another day except for good cause shown in the opinion of the city council, or agency conducting such meeting, and then only on condition that any person so requesting is mailed adequate notice of the new date of any postponed meeting. Failure by an individual to receive such notice shall not constitute mandatory grounds for canceling the hearing or rendering invalid any determination made at such hearing.

8. Right to public hearing. Upon a timely request of any interested party a public hearing shall be held by any city agency, board, department or authority upon any significant policy decision to be issued by it which is not subject to subsequent administrative or legislative review and hearing. This provision shall not apply to the Office of the City Attorney of the city nor to anybody whose duties and responsibilities are solely advisory.

At any zoning or other hearing in which review is exclusively by certiorari, a party or his counsel shall be entitled to present a case or defense by oral or documentary evidence, to submit rebuttal evidence, and to conduct such cross-examination as may be required for a full and true disclosure of the facts. The decision of any such agency, board, department or authority must be based upon the facts in the record. Procedural rules establishing reasonable time and other limitations may be promulgated and amended from time to time.

9. Notice of action and reasons. Prompt notice shall be given of the denial in whole or in part of a request of an interested person made in connection with any municipal administrative decision or proceeding when the decision is reserved at the conclusion of the hearing. The notice shall be accompanied by a statement of the grounds for denial.

10. Managers' and attorneys' reports. The city manager and city attorney shall periodically make a public status report on all major matters pending or concluded within their respective offices, except as to any matters which may be privileged, pursuant to law.

11. Budgeting. In addition to any budget required by state statute, the city manager shall prepare a budget showing the cost of each department for each budget year. Prior to the city council's first public hearing on the proposed budget required by state law, the city manager shall make public a budget summary setting forth the proposed cost of each individual department and reflecting the personnel for each, the purposes and the estimated cost of each department.

12. Adequate audits. An annual audit of the city shall be made by an independent certified public accounting firm in accordance with generally accepted auditing standards. The independent city auditor shall be appointed by the city council; both appointment and removal of the independent city auditor shall be made by the city council. A summary of the results of the independent city auditor's annual audit, including any deficiencies found, shall be made public. In making such audit, proprietary functions shall be audited

separately and adequate depreciation on proprietary facilities shall be accrued so the public may determine the amount of any direct or indirect subsidy.

13. Representation of public. The city council shall endeavor to provide representation at all proceedings significantly affecting the city and its residents before state, federal or county regulatory bodies.

(b) The foregoing enumeration of citizens' rights vests large and pervasive powers in the citizenry of the City of North Miami. Such power necessarily carries with it responsibility of equal magnitude for the successful operation of government in the city. The orderly, efficient and fair operation of government requires the intelligent participation of individual citizens exercising their rights with dignity and restraint so as to avoid any sweeping acceleration in the cost of government because of the exercise of individual prerogatives, and for individual citizens to grant respect for the dignity of public office.

(c) Remedies for violations. In any suit by a citizen alleging a violation of this Bill of Rights filed in the Miami-Dade County Circuit Court pursuant to its general equity jurisdiction, the plaintiff, if successful, shall be entitled to recover costs as fixed by the court. Any public official or employee who is found by the court to have willfully violated this article shall forthwith forfeit such office or employment.

(d) Construction. All provisions of this article shall be construed to be supplementary to and not in conflict with the general laws of Florida. If any part of this article shall be declared invalid, it shall not affect the validity of the remaining provisions.

(7) — ~~The word "cost" as applied to a local improvement shall include: Labor and material;~~

(8) — ~~In street acquisition, the cost of any property purchased, condemned or otherwise acquired including court costs and other expense incident to such acquisition;~~

~~Class 1. Street improvements embrace the grading, paving, repaving, macadamizing, and remacadamizing of streets, with necessary drainage, sewer inlets, manholes and catch basins, and, if the council orders, curbs and gutters.~~

~~Class 2. Sidewalk improvements embrace the grading and construction of sidewalks, and, if the council so orders, curbs and gutters.~~

~~Class 4. Water main improvements embrace the laying of water mains, the relaying where necessary of streets and sidewalks necessarily torn up or damaged, and, if the council so orders, the laying of water laterals as a separate improvement or as a part of the main improvement.~~

~~The city is hereby authorized to make local improvements and provide for paying the cost thereof as herein provided, but only in the event that fifty-one (51) percent of the owners of affected abutting property consent in writing to the proceedings as herein set forth.~~

~~Sec. 113. Initial proceeding.~~

~~The initial proceeding for a local improvement hereunder shall be the passage at any lawful meeting of the council of a resolution ordering the same to be made under and subject to the provisions of this Charter, indicating the location by terminal points and route, and either giving a description of the improvement by its material, nature, character and size, or giving two (2) or more such descriptions with the direction that the material, nature, character and size be subsequently determined in conformity with one (1) of such descriptions. A single resolution may embrace one (1) improvement only or one (1) improvement of each of two (2) or more classes of improvements. An improvement need not be continuous and may be in more than one (1) locality or street, but a street or sidewalk improvement shall be practically uniform in cost and kind throughout the improvement. If the resolution shall order a storm sewer improvement, it shall designate the property which the council deems will be specially benefited thereby, and, if a water main improvement be ordered, the resolution shall indicate the proportion of the cost thereof which shall be borne by the city at large and the proportion thereof which shall be specially assessed. A resolution may give any short and convenient designation to each improvement ordered thereby, and the property against which assessments are to be made for the cost of such improvement shall be designated as a district, followed by a letter or number or name to distinguish it from other districts, after which it shall be sufficient to refer to such improvement and property by such designations in all proceedings, assessments, bonds and warrants, except in the notices provided by paragraphs 115 and 120 of this article.~~

~~Sec. 114. Plans, specifications, estimates and tentative apportionment of cost.~~

~~As soon as may be after the passage of such resolution the city manager shall prepare and file in his office, plans and specifications of each improvement ordered thereby and an estimate of the cost thereof, including an estimate of the cost of each kind of improvement if the resolution provides alternative descriptions of material, nature, character and size, which estimate shall show the estimated amount of cost and incidental expense to be apportioned to the city and the estimated amount of cost and incidental expense to be assessed against property benefited thereby, and, except in the case of a storm sewer improvement, the estimated amount to be assessed against each foot of abutting property.~~

~~Sec. 115. Notice of hearing upon initial resolution.~~

~~The city manager, upon the filing of such plans, specifications, estimates and tentative apportionment of cost, shall publish once in a daily newspaper published in Dade County and of general circulation in the city a notice stating that at a meeting of the council on a certain day and hour, not earlier than ten (10) days from such publication, the council will hear objection of all persons to the confirmation of such resolution which notice shall state in brief and general terms and description of the proposed improvement with the location thereof, and shall also state that plans, specifications, estimates and a tentative apportionment of the cost thereof are on file in the office of the city manager. Such notice in the case of a resolution for a storm sewer improvement shall describe the property declared by such resolution to be specifically benefited by a description sufficient to identify the property.~~

~~Sec. 116. Hearing.~~

~~At the time named in such notice or to which an adjournment may be taken by the council, the council shall receive any objection of interested persons and may then or thereafter repeal or confirm such resolution with such amendments, if any, as may be desired by the council and which do not cause any additional property to be specially assessed; provided, however, that such resolution shall not then or thereafter be confirmed containing items which cannot be properly assessed against property or if, because of any default or defect in the passage or character of the resolution, estimate or apportionment, it is void or voidable in whole or in part, or if it exceeds the power of the council.~~

~~Sec. 117. Objections.~~

~~All objections to any such resolution on the ground that it contains items which cannot be properly assessed against property, or that, because of any default or defect in the passage or character of the resolution, estimate or apportionment, it is void or voidable in whole or in part, or that it exceeds the power of the council, shall be made in writing, in person or by attorney, and filed with the city manager at or before the time of adjourned time of such hearing. Any objections against the making of an improvement not so made shall be considered as waived, and if an objection shall be made and overruled or shall not be sustained, the confirmation of the resolution shall be the final adjudication of the issues presented unless proper steps shall be taken in a court of competent jurisdiction to secure relief within ten (10) days.~~

~~Sec. 118. Contract for work.~~

~~As soon as practicable after the confirmation of any such initial resolution ordering work to be constructed and the authorization of bonds under the provisions of this Charter the city manager shall publish at least once in a newspaper published in Dade County and of general circulation in the city and, if the estimated cost exceeds five thousand dollars (\$5,000.00), in a newspaper of general circulation in the State of Florida, a notice calling for sealed bids to be received by the council on a date not earlier than fifteen (15) days from the first publication, for the construction of the work, unless in the initial resolution the council shall have declared its intention to have the work done by city forces without contract. The notice shall refer in general terms to the extent and nature of the improvement or improvements and may identify the same by the short designation indicated in the initial resolution and by reference to the plans and specifications on file. If the initial resolution shall have given two (2) or more alternative~~

~~descriptions of the improvement as to its material, nature, character and size, and if the council shall not have theretofore determined upon a definite description, the notice shall call for bids upon each of such descriptions. Bids may be requested for the work as a whole or for any part thereof separately and bids may be asked for any one (1) or more improvements authorized by the same or different resolutions, but any bid covering work upon more than one (1) improvement shall be in such form as to permit a separation of cost as to each improvement. The notice shall require bidders to file with their bids either a certified check upon an incorporated bank or trust company for two and one half (2½) percent of the amount of their respective bids or a bid bond in like amount with corporate surety satisfactory to the city manager to insure the execution of a contract to carry out the work in accordance with such plans and specifications and to insure the filing, at the making of such contract, of a bond in the amount of the contract price with corporate sureties satisfactory to the city manager conditioned for the performance of the work in accordance with such contract. The council shall have the right to reject any or all bids, and if all bids are rejected the council may readvertise or may determine to do the work by city forces without contract.~~

~~Sec. 119. Preliminary assessment roll.~~

~~(a) Promptly after the completion of the work, the city manager shall cause to be prepared a preliminary assessment roll and file the same in his office, which roll shall contain the following:-~~

~~(1) A description of the lots and parcels of land within the district, which in the case of storm sewer improvements shall include all property declared by the council in the initial resolution therefor to be specially benefited thereby, and in the case of other improvements shall include the lots and lands which abut upon the sides of that part of any street to be improved or in which a water main is to be laid, and the lots and lands which abut upon that side or sides of any street in or along which side or sides a sidewalk is to be constructed. Such property, lots and lands shall include city property and the property of the county and of any school district or other political subdivision. There may also be given, in the discretion of the city manager, the name of the owner of record of each lot or parcel, where practicable, and in all cases except storm sewer improvements a statement of the number of feet of property so abutting, which number of feet shall be known as the frontage.~~

~~(2) The total of the improvement, and the amount of incidental expense.~~

~~(3) An apportionment, as between the city and property, of the cost of each improvement, to be computed as follows, incidental expense to be apportioned in the same proportion:-~~

~~IN STREET IMPROVEMENTS:-~~

~~(1) To the city shall be apportioned that part of the cost of street improvements at intersections. The word "intersection" shall be deemed to include not only that part of a street which is common to another street, but also that portion of a street which would be embraced within the extension of another street entering into it or meeting it if such other street should be extended.~~

~~(2) — To abutting property shall be apportioned all the remaining cost of street improvements.~~

IN SIDEWALK IMPROVEMENTS:-

~~(3) — To abutting property shall be apportioned all the cost of sidewalk improvement, the lots within a block being deemed to abut upon a sidewalk although the sidewalk extends beyond the lots to the curbline of an intersecting street.~~

IN STORM SEWER IMPROVEMENTS:-

~~(4) — To the city shall be apportioned one third of the cost of storm sewers, including any pumping station and outlet but excluding sewer laterals.~~

~~(5) — To the lots and parcels within the district shall be apportioned two thirds of the cost of storm sewers, including any pumping station and outlet but excluding laterals.~~

~~(6) — To each lot or parcel to the property or curbline of which a storm sewer lateral is laid shall be apportioned the cost of that lateral.~~

IN WATER MAIN IMPROVEMENTS:-

~~(8) — To the city shall be apportioned such part of the cost of water main improvements as may have been determined by the initial resolution; provided, however, that the entire cost of water main improvements at intersections shall be apportioned to the city.~~

~~(9) — To each lot or parcel to the property or curbline of which a water lateral is laid shall be apportioned the cost of that lateral.~~

~~(10) — To abutting property shall be apportioned the remaining cost of the water main improvement.~~

ASSESSMENT OF INDIVIDUAL LOTS:-

~~(11) — The amount of the cost of each storm sewer improvement, excluding storm sewer laterals, so apportioned to lots and parcels of land shall in said roll be assessed to the several lots and parcels within the district in the proportion which the city manager deems to be the proportion of special benefits each such lot or parcel will receive, and the amount of the cost of each street, side walk, and water main improvements, except water laterals so apportioned to abutting property shall be assessed in said roll against such abutting property according to frontage.~~

~~(b) — The preliminary roll shall be advisory only and shall be subject to the action of the council as hereinafter provided.~~

Sec. 120. Notice of hearing upon assessment roll.

Upon the filing in the office of the city manager of the preliminary assessment roll required by this Charter, the city manager shall publish once in each of two (2) successive weeks in a daily newspaper published in Dade County and of general circulation in the city, a notice stating that at a regular meeting of the council to be held on a certain day and hour, not less than twelve (12) days from the date of the first publication, all interested persons may appear and file written

~~objections to the confirmation of such roll. Such notice shall state the class of the improvement and the location thereof by terminal points and route.~~

~~Sec. 121. Hearing and confirmation of assessment roll.~~

~~At the time and place stated in such notice the council shall meet and receive the objections in writing of all interested persons as stated in such notice. The council may adjourn the hearing from time to time. After the completion thereof the council shall either annul or sustain or modify in whole or in part the prima facie assessment as indicated on such roll, either by confirming the prima facie assessment against any or all lots or parcels described therein, or by canceling, increasing or reducing the same, according to the special benefits which the council decides each such lot or parcel has received or will receive on account of such improvement. If any property which may be chargeable under this Charter shall have been omitted from the preliminary roll or if the prima facie assessment shall not have been made against it, the council may place on such roll an apportionment to such property. The council shall not confirm any assessment in excess of the special benefits to the property assessed, and the assessments so confirmed shall be in proportion to the special benefits. The assessments so made shall be final and conclusive as to each lot or parcel assessed unless proper steps be taken within ten (10) days in a court of competent jurisdiction to secure relief. If the assessment against any property shall be sustained or reduced or abated by the court, the city manager shall note that fact on the assessment roll opposite the description of the property affected thereby. The amount of the special assessment against any lot or parcel which may be abated by the court, unless the assessment upon the entire district is abated, or the amount by which such assessment is so reduced, may by resolution of the council be made chargeable against the city at large, or, in the discretion of the council, a new assessment roll may be prepared and confirmed in the manner hereinabove provided for the preparation and confirmation of the original assessment roll.~~

~~Sec. 122. Payment of assessments.~~

~~Any assessment may be paid at the office of the director of finance within thirty (30) days after the confirmation thereof, without interest. Thereafter all assessments shall be payable in equal installments, with interest at six (6) percent per annum from the expiration of said thirty (30) days in each of the succeeding fifteen (15) calendar years at the time or times in each year at which general city taxes are payable; provided, however, that any assessment may be paid at any time before due, together with interest accrued thereon to the date of payment.~~

~~Sec. 123. Lien and enforcement.~~

~~All assessments made under the provisions of this article shall constitute a lien upon the property so assessed from the date of the confirmation of the resolution ordering the improvement, of the same nature and to the same extent as the lien for general city taxes falling due in the same year or years in which such assessment or installments thereof fall due, and any assessment or installment not paid when due shall be collectible in the same manner and at the same time as such general taxes are or may be collectible, with the same attorney's fee, interest and penalties and under the same provisions as to forfeiture and the right of the city to purchase the property assessed as are or may be provided by law in the case of city taxes; provided, however, that no such sale of any property for general city taxes or for an installment or installments of any such assessment and no perfecting of title under any such sale shall divest the~~

~~lien of any installment of such assessment not due at the time of sale. Collection of such assessments, with such interest and with a reasonable attorney's fee and costs, but without penalties, may also be made by the city by proceedings in a court of equity to foreclose the lien of assessments as a lien for mortgages is or may be foreclosed under the laws of the state. Any such proceedings to foreclose shall embrace all installments of principal remaining unpaid with accrued interest thereon, which installments shall, by virtue of the institution of such proceedings, immediately become due and be due and payable. Nevertheless, if prior to any sale of the property under decree of foreclosure in such proceedings, payment be made of the installment or installments which are shown to be due under the provisions of any resolution passed pursuant to section 122 of this article, with interest as required by said section 122 and by this section 123 and all costs including attorney's fee, such payment shall have the effect of restoring the remaining installments to their original maturities as provided by such resolution passed pursuant to said section 122, and the proceeding shall be dismissed. It shall be the duty of the city to enforce the prompt collection of assessments by one (1) or the other of the means herein provided, and such duty may be enforced at the suit of any holder of bonds issued under this article in a court of competent jurisdiction by mandamus or other appropriate proceedings or action. Not later than thirty (30) days after the annual sale of property for delinquent taxes of the city it shall be the duty of the council to direct the city attorney or an attorney or attorneys whom the council shall then designate, to institute action within three (3) months after such direction to enforce the collection of all special assessments for local improvements made under this Charter and remaining due and unpaid at the time of such direction (unless such property has theretofore been sold at tax sale). Such action shall be prosecuted in the manner and under the condition in and under which mortgages are foreclosed under the laws of the state. It shall be lawful to join in one (1) action the collection of assessments against any or all property assessed by virtue of the same assessment roll unless the court shall deem such joinder prejudicial to the interests of any defendant. The court shall allow a reasonable attorney's fee for the attorney or attorneys of the city, and the same shall be collectible as a part of or in addition to the costs of the action. At any sale pursuant to a decree in any such action, the city may be a purchaser to the same extent as an individual person or corporation, except that the part of the purchase price represented by the assessments sued upon and the interest thereon need not be paid in cash. Property so acquired by the city, including the certificate of sale thereof, may be sold or otherwise disposed of, for cash or upon terms, the proceeds of such disposition to be placed in the fund provided by this section; provided, however, that no sale or other disposition thereof shall be made unless notice calling for bids therefor to be received at a stated time and place shall have been published in a newspaper published in Dade County and of general circulation in the city once in each of four (4) successive weeks prior to such disposition.~~

Sec. 124. Issuance of bonds.

~~(a) On or after the confirmation of the resolution ordering a local improvement or improvement the council may by resolution issue bonds of the city for the payment of the entire cost of any such improvement or improvement or any part of such cost, including incidental expense, and for the reimbursement of any fund of the city from which any part of such cost shall have theretofore been paid, in an amount not greater than the estimate herein provided of the cost and incidental expense, which estimate, if the initial resolution shall have given two (2) or more alternative descriptions of the improvement by its material, nature, character and size, with estimates as to each description shall be the lowest of such estimates, but no bonds be~~

~~issued in excess of the contract price and the cost of incidental expenses unless such bonds shall have been delivered or sold or advertised for sale prior to the making of such contract. If bonds shall be authorized after such contract is made, they may be issued to the full amount of such contract and the amount paid, or the amount awarded in eminent domain proceedings, for any land, rights and easements necessary to be acquired for the improvement, and the estimated incidental expense, and a finding by the council of the amount of a contract, or the amount so paid or awarded for land, rights or easements, or the amount of incidental expense, shall be conclusive for the purposes of this section. Such bonds shall be issued only in denominations of five hundred dollars (\$500.00) or one thousand dollars (\$1,000.00), or both, as shall be determined by the council, and the foregoing limitations upon the amount of bonds may be exceeded to such extent as may be necessary in order that bonds of the denomination or denominations determined by the council may be issued, and to such extend [extent] as may be necessary to pay interest upon the bonds at the rate borne thereby (or at the rate of six (6) percent per annum if the interest rate upon the bonds is not to be determined until the sale thereof) for a period of not more than eighteen (18) months. An issue of bonds need not be limited to one (1) improvement, and bonds may be issued in one (1) or more series for all or a part of the cost of any one (1) or more improvements. Bonds may be issued under the provisions of this Charter beyond the general limits of indebtedness prescribed by law and shall not be included in the amount of bonds which the city may be authorized to issue under any other law.~~

~~(b) Each series of bonds shall mature at such time or times as the council may determine, not more than twenty (20) years from their date, and may be made redeemable before maturity, at the option of the city, at such price or prices and under such terms and conditions as may be fixed by the council prior to the issuance of the bonds. Such bonds shall bear interest at a rate not greater than six (6) percent per annum, payable semiannually, and the principal and interest shall be made payable in such medium and at such place as the council may determine. Such bonds shall be sold by the council after publishing, at least ten (10) days before receipt of bids therefor, a notice calling for such bids; provided, however, that by unanimous vote of all members of the council they may be sold at private sale without advertisement and at a price of not less than ninety-seven cents (\$0.97) on the dollar and accrued interest. Such bonds may be made registerable as to principal alone, or as to both principal and interest, under such conditions as the council may determine, and shall, with the coupons thereto attached, be executed as provided by the council.~~

~~(c) Such bonds shall be general obligations of the city but no such bonds shall be issued unless the issuance thereof shall have been approved by a majority of the votes cast in an election in which a majority of the freeholders who are qualified electors residing in the city shall participate. Such election shall be called, noticed and conducted and the result thereof determined and declared in the manner required by law for the issuance of bonds of the city. For the payment of the principal of and the interest on such bonds the council is hereby authorized and required annually to levy a special tax upon all taxable property within the city, over and above all taxes authorized or limited by this Charter or other laws, sufficient, with any other funds available for such purpose, to pay the interest on and principal of all such bonds at their several dates of maturity.~~

~~Sec. 125. Proceedings by resolution.~~

~~All proceedings of the council provided for in this section may be taken by resolution, which shall be in force from and after its passage.~~

~~Sec. 126. Surplus of bond proceeds.~~

~~Where the proceeds of bonds issued under this article shall be found to exceed the cost of the improvements for which such bonds are issued, such excess shall be paid into the appurtenant fund created by section 136 of this article.~~

~~Sec. 127. Acceptance of improvement.~~

~~As soon as any improvement shall have been completed, the council shall cause a notice to be published in a newspaper published in Dade County and of general circulation in the city, stating that at a meeting of the council to be held at a certain day and hour, not less than ten (10) days from the publication of such notice, the council will hear any objections of persons interested in or affected by the said improvements as to the acceptance thereof by the council. At the time and place mentioned in such notice the council shall hear such objections, if any, and may then or thereafter accept the said improvement.~~

~~Sec. 128. Credit for prior improvements.~~

~~The council may make allowances and grant credit to property owners for improvements previously made by such property owners to the extent, and only to that extent, that such existing improvements shall be of value and utility as a part of the improvements for which such assessment is made, and may prescribe a plan for fixing and determining such allowance and credits.~~

~~Sec. 129. Description of property.~~

~~In fixing and enforcing the assessments herein provided for, whenever any land shall have [been] surveyed or subdivided and platted into small tracts designated as lots or blocks or otherwise, and the owner of any land embraced in the said survey or subdivision shall have recognized such survey or subdivision by reference thereto in making or accepting any conveyance of land therein, or by selling any land therein by reference thereto, then, and in that event, the land embraced in such subdivision may be described by reference to such survey or subdivision whether any plat thereof shall have been recorded or not.~~

~~Sec. 130. Division of assessments.~~

~~If the owner or owners of any lot or parcel of land assessed under the provisions of this Charter and all those having any interest therein by way of mortgage or other lien or lease hold rights or otherwise shall in writing request that such assessment be divided so that a part of the same shall be the assessment on and constitute a lien on one (1) portion of such lot or parcel and the remainder shall be the assessment on and constitute a lien or liens against the remainder of such parcel or separate parts thereof, the council, in its discretion, shall have power to divide such assessments in accordance with such request, and thereafter the separate parts of such assessment shall be the assessments and constitute separate liens upon the parts of the lot or parcel, respectively, into which the same shall have been so divided; any ordinance or resolution~~

~~making such division shall recite a finding of the council that such division is equitable and will not impair the collectibility of any part of the assessments so divided.~~

~~Sec. 131. Liberal construction.~~

~~The purpose of this article being to provide an economical method by which local improvements may be made, it is hereby declared that no irregularity or illegality in connection with any of the proceedings herein authorized shall in any way affect the validity of the orders for the improvements or the special assessments or the bonds or contracts, unless such irregularity or illegality shall substantially affect the rights of the city or its inhabitants or the owners of property assessed for such improvements.~~

~~Sec. 132. Omissions, errors and mistakes.~~

~~In case of any omissions, errors and mistakes in making the assessments, or in case of deficiencies or otherwise, then, unless the council or a court shall have determined that the assessments already made fully equal the amount of special benefits, a supplemental assessment may be made for such deficiencies, errors, omissions or mistakes; and such supplemental assessments shall be made in the same manner and after the same notice hereinabove provided for the original assessments, and shall be a lien to the same extent and be payable in the same manner, draw the same rate of interest, and be subject to the same penalties, and be in force and collectible in the same manner as such original assessments.~~

~~Sec. 133. Proof of assessments.~~

~~A copy of any assessments certified as correct by the city manager of the city shall be admissible in evidence and shall be prima facie proof of amount of the assessment and the property which such assessment is levied.~~

~~Sec. 134. Assessments on public property.~~

~~Dade County, and any school district or other political subdivision wholly or partly within the city, shall possess the same power and be subject to the same duties and liabilities in respect of assessment under this Charter affecting their real estate that private owners of real estate possess or are subject to hereunder, and such real estate of said county, school districts and political subdivisions shall be subject to liens for said assessments in all cases where the same property would be subject had it at the time the lien attached been owned by a private owner.~~

~~Sec. 135. Alternative method.~~

~~This article shall be deemed to provide an additional and alternative method for the doing of the things authorized hereby and shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of any powers now existing.~~

~~Sec. 136. Pledge of special assessments.~~

~~Sec. 211. Citizens' Bill of Rights.~~

~~(A) — This government has been created to protect the governed, not the governing. In order to provide the public with full and accurate information, to promote efficient administrative management, to make government more accountable, and to insure to all persons fair and equitable treatment, the following rights are guaranteed:~~

1. ~~*Convenient access.* Every person has the right to transact business with the City with a minimum of personal inconvenience. It shall be the duty of the City Manager and the City Council to provide, within the City's budget limitations, reasonably convenient times and places for required inspections, and for transacting business with the City.~~

2. ~~*Truth in government.* No municipal official or employee shall knowingly furnish false information on any public matter, nor knowingly omit significant facts when giving requested information to members of the public.~~

3. ~~*Public records.* All audits, reports, minutes, documents and other public records of the City and its boards, agencies, departments and authorities shall be open for inspection at reasonable time and places convenient to the public.~~

4. ~~*Minutes and ordinance register.* The City Clerk shall maintain and make available for public inspection an ordinance register separate from the minutes showing the votes of each member on all ordinances and resolutions listed by descriptive title. Written minutes of all meetings and the ordinance register shall be available for public inspection not later than thirty (30) days after the conclusion of the meeting.~~

5. ~~*Right to be heard.* So far as the orderly conduct of public business permits, any interested person has the right to appear before the City Council or any City agency, board or department for the presentation, adjustment or determination of an issue, request or controversy within the jurisdiction of the City. Matters shall be scheduled for the convenience of the public, and the agenda shall be divided into approximate time periods so that the public may know approximately when a matter will be heard. Nothing shall prohibit the City or any agency from imposing reasonable time limits for the presentation of a matter.~~

6. ~~*Right to notice.* Persons entitled to notice of a City hearing shall be timely informed as to the time, place and nature of the hearing and the legal authority pursuant to which the hearing is to be held. Failure by an individual to receive such notice shall not constitute mandatory grounds for canceling the hearing or rendering invalid any determination made at such hearing. Copies of proposed ordinances or resolutions shall be made available at a reasonable time prior to the hearing, unless the matter involves an emergency ordinance or resolution.~~

7. ~~*No unreasonable postponements.* No matter once having been placed on a formal agenda by the City shall be postponed to another day except for good cause shown in the opinion of the City Council, or agency conducting such meeting, and then only on condition that any person so requesting is mailed adequate notice of the new date of any postponed meeting. Failure by an individual to receive such notice shall not constitute mandatory grounds for canceling the hearing or rendering invalid any determination made at such hearing.~~

~~8. — *Right to public hearing.* Upon a timely request of any interested party a public hearing shall be held by any City agency, board, department or authority upon any significant policy decision to be issued by it which is not subject to subsequent administrative or legislative review and hearing. This provision shall not apply to the Office of the City Attorney of the City nor to anybody whose duties and responsibilities are solely advisory.~~

~~At any zoning or other hearing in which review is exclusively by certiorari, a party or his counsel shall be entitled to present a case or defense by oral or documentary evidence, to submit rebuttal evidence, and to conduct such cross examination as may be required for a full and true disclosure of the facts. The decision of any such agency, board, department or authority must be based upon the facts in the record. Procedural rules establishing reasonable time and other limitations may be promulgated and amended from time to time.~~

~~9. — *Notice of action and reasons.* Prompt notice shall be given of the denial in whole or in part of a request of an interested person made in connection with any municipal administrative decision or proceeding when the decision is reserved at the conclusion of the hearing. The notice shall be accompanied by a statement of the grounds for denial.~~

~~10. — *Managers' and attorneys' reports.* The City Manager and City Attorney shall periodically make a public status report on all major matters pending or concluded within their respective offices, except as to any matters which may be privileged, pursuant to law.~~

~~11. — *Budgeting.* In addition to any budget required by state statute, the City Manager shall prepare a budget showing the cost of each department for each budget year. Prior to the City Council's first public hearing on the proposed budget required by state law, the City Manager shall make public a budget summary setting forth the proposed cost of each individual department and reflecting the personnel for each, the purposes and the estimated cost of each department.~~

~~12. — *Adequate audits.* An annual audit of the City shall be made by an independent certified public accounting firm in accordance with generally accepted auditing standards. The independent City Auditor shall be appointed by the City Council; both appointment and removal of the independent City Auditor shall be made by the City Council. A summary of the results of the independent City Auditor's annual audit, including any deficiencies found, shall be made public. In making such audit, proprietary functions shall be audited separately and adequate depreciation on proprietary facilities shall be accrued so the public may determine the amount of any direct or indirect subsidy.~~

~~13. — *Representation of public.* The City Council shall endeavor to provide representation at all proceedings significantly affecting the City and its residents before state, federal or County regulatory bodies.~~

~~(B) — The foregoing enumeration of citizens' rights vests large and pervasive powers in the citizenry of the City of North Miami. Such power necessarily carries with it responsibility of equal magnitude for the successful operation of government in the City. The orderly, efficient and fair operation of government requires the intelligent participation of individual citizens exercising their rights with dignity and restraint so as to avoid any sweeping acceleration in the cost of government because of the exercise of individual prerogatives, and for individual citizens to grant respect for the dignity of public office.~~

~~(C) — Remedies for violations. In any suit by a citizen alleging a violation of this Bill of Rights filed in the Miami Dade County Circuit Court pursuant to its general equity jurisdiction, the plaintiff, if successful, shall be entitled to recover costs as fixed by the court. Any public official or employee who is found by the court to have willfully violated this article shall forthwith forfeit such office or employment.~~
